

Thanks go out in a big way to the Southern Lakes United Educators retired group for their \$200 grant to order Jack Ezra Keats books.

The Ezra Jack Keats Foundation is gearing up this year for a celebration of the 1962 publication of one of Keats' most famous books, *The Snowy Day*. Each month a different Keats' book will be featured on the website (<http://www.ezra-jack-keats.org/>) for the culminating 50th year anniversary in 2012.

The books ordered with the \$200 grant from the WEAC-affiliated retired teachers will help teachers read and do activities with the Keats' books.

A huge THANK YOU goes out to Mrs. Michelle Smid, Mrs. Virginia (Sands) Eggert, and Mrs. Patti Amann for their help on March 11 popping and selling popcorn. The profits from this sale allowed us to purchase the full set of the series 39 Clues.
